PHILADELPHIA, Oct 19th 1881

Col J. Loudon Snowden

United States Mint Phila

Dear Sir

Our Mr Warden mentioned the fact of your dissatisfaction in regard to the delay in the completion of the work at the Mint. We beg leave to state that before we can place our Machines, the necessary foundations and bed plates must be prepared, the work of doing so is in the hands of the Engineer of the Mint, and as soon as every thing is in readiness we will see that the work is pushed to completion.

Regretting any annoyance you may have had in this matter we remain

Very Respectfully
